[Paull, Pennsylvania's crack runner, who established a new intercollegiate record for the mile last year, is expected to compete in the relay races to be held or Franklin field April 10.]

The second will be a four mile event, each man to run a mile. The third contest will be a two mile affair, each man to run a half mile. The University of Penusylvania will be found represented in all three, and it is expected that Harvard, Yale, Princeton Cornell, Columbia, Chicago, Wiscomin Michigan and several other big universities will enter in the coming races

Last year this most reached the high water mark, with over sixty colleges present and close to 175 schools, the entire country, with the exception of the Pacific coast slope, being represented in both the scholastic and college events. An even better record is expected this year.
